A screenshot of the TFLOW checkout page. The page has a dark header with the TFLOW logo and navigation links: Home, Services, Token Info, Swap, Tutorials, Team, Roadmap, News, and E Shop. The main content area is divided into two columns. The left column is for 'Billing details' and the right column is for 'Your order'. In the 'Billing details' section, there are input fields for 'First name', 'Last name', 'Company name (optional)', 'Country / Region' (a dropdown menu), 'Street address' (two lines), and 'Town / City'. In the 'Your order' section, there is a table showing the order details:

PRODUCT	SUBTOTAL
Trading Engine 30 Days × 1	\$45.00
Subtotal	\$45.00
Total	\$45.00

Below the table, there is a 'Crypto' section with a Bitcoin icon and a 'Place order' button. A yellow arrow points to a link in the 'Billing details' section that says 'Returning customer? Click here to login'.

Step 4.

Go to your Trading View Chart, select indicators and then Invite Only scripts. There you will find the TFLOW Trading Engine.

Add it to the chart and then refresh the page.
